

TERREY HILLS Community Kindergarten

Terrey Hills Community Kindergarten is a personal, not-for-profit, community-based Kindergarten. Our well-established centre offers an Early Years Learning Framework preschool education program, within a beautiful, peaceful bush setting, for children aged 3-5 years old.

Each child is cared for individually by dedicated, caring and valued Educators, who's priority is to create a warm, loving, energetic and stimulating environment for your child and family. Contact us to organise a visit and see how your child can blossom at our Kindy.
